

# SILENT COMPANY PRE APPLICATION

The following steps needs to be completed before a corporation can be accepted in to the Silent Company alliance.

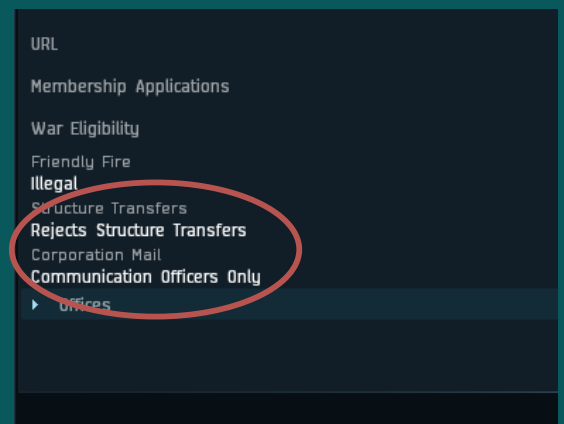

These steps are there to make sure the alliance remains not eligible for wars. In case of a corporation intentionally or unintentionally changing the war eligibility status of the alliance this information will be used to boot our the effecting corporation until the issue is fixed.

## CORP SETTINGS

Corporation must set and keep the Structure Transfer option at Reject at all times. Keep Corporation Mail setting only on Communication Officers Only

Send a screenshot of the following section to Ikarus Cesaille#0361:

Corporation window -> details: Structure transfers  
Corporation window -> details: Corporation Mail

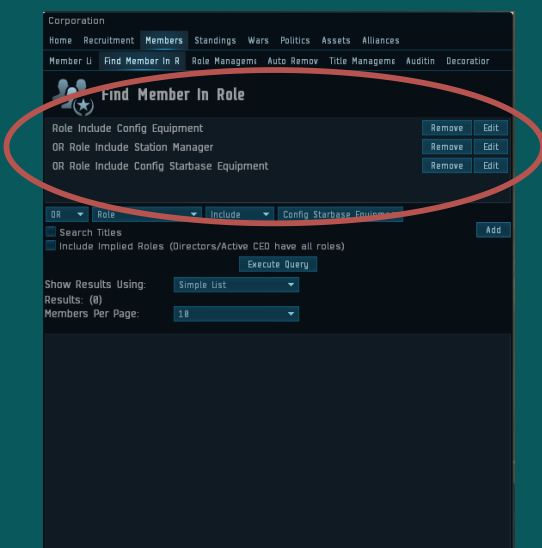

## CORPORATION ROLES

The following 3 roles can change war eligibility status of your corporation and the alliance.

Only give them to trusted players who will not abuse them: Config Equipment, Station Manager, Config Starbase Equipment.

Send a screenshot of the following section with the selected filters

## ADD CORP TOKEN
